One Little, Two Little, Three Little Witches

(Sung to: One Little, Two Little, Three Little…)

D
One little, two little, three little witches,
A7
Four little, five little, six little witches,
D
Seven little, eight little, nine little witches,
A7 *D*
Ten witches in a row.

D
Ten little, nine little, eight little witches,
A7
Seven little, six little, five little witches,
D
Four little, three little, two little witches,
A7 *D*
One little witch alone!

Suggestion

In the classroom or gym

The ten little witches are in a circle.

One student goes around to tap and "count" each one as he/she goes. All students sing the song as the student "counts" up and then down.

Also

When students count down, the little witches sit down until only one is standing, "One little witch alone!"

Jack-O-Lantern

(Sung to: Frere Jacques)

C
Jack-o-lantern, jack-o-lantern,
C
Burn so bright, burn so bright.
C
You are burning brightly, you are burning brightly,
C
Through the night, through the night.

If you like these songs there are lots more like these in the "Songs 4 Teachers" Songbook and in "All About School" - a new Theme Unit available at:
